Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner contacted Applicant's representative, Mike Stephens, regarding any pending Amendments in the current Application. Applicant's representative indicated that there are no pending Amendments in the current Applications. Examiner indicated that the dependency of claim 18 would be changed from claim 1 to claim 17 by Examiner's Amendment. Applicant requested that independent claim 19 be amended to disclose "displaying the frame with the annotation marker" (claim 19, line 6). As per the decision by the BPAI, this Amendment will place claims 19 - 21 in condition for allowance. Examiner also indicated that claim 22 will be canceled by Examiner's Amendment, since the information in this claim repeats information in claim 19. Examiner will make these amendments in an Examiner's Amendment that will accompany the Notice of Allowance.
